

Serial number	GN Division	Proposal	Priority number	Gross Estimated Amount (Rs.)	Number of beneficiaries
1	Ellakanda Wathurawa	Construction of a 750-meter drainage system from Galana Sena to Pusa Wathurawa	1	1,000,000.00	30
2	Ellakanda Wathurawa	Construction of a 300-meter long walkway at the upper Deniya exit of the Nedunkanda Lake Estate	2	750,000.00	30
3	Ellakanda Wathurawa	Preparation of the drainage from Sangiriduwa Watta to Pusa Watturawa	3	1,750,000.00	30
4	Ellakanda Wathurawa	Construction of the Halpanbissa Amunu embankment, 200 meters including the dam	4	750,000.00	30
5	Ellakanda Wathurawa	Construction of the Puwak Watta Duwa Road, 300 meters from the house of Mr. Jayanama on the Ellakanda Mahalapitiya Road.	5	1,500,000.00	30
6	Ellakanda Wathurawa	Cleaning of the Galabada Canal up to 3 km from Peragasduwa to the new Galabada Canal in Idurupathwila	6	1,000,000.00	30
7	Kotagoda	Repair of the drain from Wilpalla Yaya Mahawathurawa to Elabada Canal (about 1km)	1	700,000.00	
8	Kotagoda	Construction of two spillways on both sides from Kotagoda Yaya to Wilpallawala. With cylinders (about 1.5km)	2	1,000,000.00	
9	Kotagoda	Repairs from Didduwa to Galabada Canal (about 1.5km)	3	1,000,000.00	
10	Kotagoda	Repair of the Galabada Canal road from Palajjawila to Ellakanda border with a culvert. (2.5km)	4	2,500,000.00	
11	Kotagoda	Repair of the canal from near Didduwa through Palajjawila Yaya. (With culvert) about 1km.	5	1,000,000.00	
12	Kotagoda	Cleaning the Galabada Canal and lowering the culvert	6	1,000,000.00	
13	Kotagoda	Repairing the Heen Canal.	7	500,000.00	
14	Thilaka Udagama	Canal cleaning from near Bata Atta Bridge to Tung Ela Modara	5	1,000,000.00	483
15	Thilaka Udagama	Cutting and cleaning the paddy fields from Pambahena to Polhena and applying 02 cylinders to the inlet of the paddy fields and 01 cylinder to the outlet.	16	500,000.00	30
16	Thilaka Udagama	Cleaning the drain from near Mrs. K.H. Yamuna's house to the Ratapolgaha canal using a small machine	20	100,000.00	55
17	Nayapamula	Renovation of Nayapamula Heen Canal (600 m)	7	400,000.00	
18	Nayapamula	Renovation of the Nayapamula Heen Canal so that the water flows into the main canal			
19	Nayapamula	To control the flow of water into the village's water supply, the dam on the Galabada Canal was raised.			
20	Pilagoda	Cutting and filling the outlet from the culvert on Nalin Jayasingha Mawatha down to the Galabada Canal	9	5,000,000.00	40
21	Pilagoda	Cutting and cleaning of canals from Nalin Jayasingha Mawatha up to Pilagodawatte	8	4,000,000.00	75

22	Baddegama North	Mahawela Yaya Depa Canal Renovation	1	500,000.00	150
23	Baddegama North	Renovation of Pethikadua Pitavana	2	500,000.00	100
24	Baddegama North	Mutthettuayaya outlet renovation	3	300,000.00	50
25	Baddegama Town	Constructing a canal to carry water from near Pothupitiya to Henakumbura near the bus stand in Baddegama town and connecting the dam to the canal	3	2,000,000.00	75
26	Baddegama Town	Cleaning the canal across the Mutthettuwa River	4	300,000.00	15
27	Baddegama Town	Cleaning of the Induruwala Yaya River up to Gothatuwa	1	800,000.00	25
28	Baddegama East	Reconstruction of approximately 1km of the existing drainage from Suduwelipatha to Danawwa Ela (3 acres of Danawwila land has become fallow.)	1	3,000,000.00	15
29	Baddegama East	Construction of the outlet from Dematagahawila to Gonantaraduwa Canal	2	2,000,000.00	10
30	Baddegama East	Cleaning of DC 13 canal (13 acres of Annasigala Duwa Yaya remain fallow)	3	2,000,000.00	10
31	Baddegama East	Widening the road by extending the culvert at the bend near Gonantara Duwa Bridge on the Nilhena to Nayapamula Nilhena road, constructing an outlet	11	500,000.00	100
32	Baddegama East	Preparing an anicut at the Danawa crossing	3	3,000,000.00	15
33	Boralukada	Preparation of outlets on both sides of the DC 13 canal.	26	2,000,000.00	15
34	Boralukada	Construction of a 3-foot anvil at the exit behind the salmon factory in Puhulduwa.	11	2,000,000.00	10
35	Boralukada	Cleaning the canal near Godella, a village in Gangarawaladuwa, which is affected by floods, by removing mud.	—	2,000,000.00	(Family) 18
36	Mahahengoda	Cutting the Pitavan canal through the Mahadeniya rice fields	8	1,500,000.00	12 families
37	Mahahengoda	Cleaning of the canal from Mederimulla paddy field to the place where the water connects to the Galgoda canal	7	1,000,000.00	15 families
38	Yahaladuwa	Reconstruction of the middle canal of Kurunduwatta Deniya and preparation of the embankment 800 meters	10	1,500,000.00	20
39	Yahaladuwa	Construction of the Halbedidola Canal 200 meters	16	300,000.00	5
40	Yahaladuwa	Preparation of 300 meters of drainage in Danketiya paddy field	13	500,000.00	10
41	Yahaladuwa	Renovation of the middle canal of Mahadeniya Yaya 1 Km	12	1,200,000.00	10
42	Hemmaliya	Constructing an anvil on the DC 10 canal from Kababathati to near Mr. T.V. Ranjith's house to obtain water for the small canals on both sides and cleaning the canal up to the pumping station.	1	7 000 000.00	30
43	Hemmaliya	Reconstruction of the canal from Hettiajja Vita Yaye to Angaliya Modara	3	2 000 000.00	200
44	Mahalapitiya	Cutting a water drainage canal from Puwakhena to Kapalayaya Kabulakuttiya Estate and constructing a road suitable for the movement of agricultural machinery through one of the two dams.	1	2,500,000.00	About 60

45	Mahalapitiya	Cleaning the main canal from above Induruwaladeniya	2	1,500,000.00	About 15
46	Mahalapitiya	Reconstruction of the upper part of the Kababakuttiya Yaya	3		
47	Mahalapitiya	Expanding and developing the main exit up to Mahalapitiya Yaya	4	1,200,000.00	
48	Mahalapitiya	Renovation of the Pasgalduwa Kumbura Canal	5	1,000,000.00	
49	Ganegama North	Construction of a side wall to strengthen the road along the Gin River, which flows through one corner of GN Division		2,500,000.00	
50	Baddegama South	DC 10 Main Canal and Sub-canal Development (from Hallinna Yaya to Mutpaswela Culvert)	1	500,000.00	25
51	Baddegama South	Preparing the Kehelgodayaya exit	4	300,000.00	10
52	Baddegama South	Cleaning the Vanni Yaya Canal	3	200,000.00	15
53	Baddegama South	Pipe installation for the Dippitiya Canal	2	400,000.00	5
54	Baddegama South	Installation of 300 meters of DC 10 side canal, 1.5 feet and 1 foot pipes. Installation of 2 culverts.	5	500,000.00	25
55	Baddegama South	Cleaning of the Hallinna Yaya Canal	6	200,000.00	10
56	Baddegama South	Preparation of the DC 10 canal dam with earthwork	7	500,000.00	30
57	Baddegama South	Preparation of the canal bank of the Sandarawala Bridge across Dikpitigoda Yaya by filling it with earth	4	3,000,000.00	15
58	Gothatuwa	Ruhunu paddy field canal cutting	1		GN Division is covered.
59	Gothatuwa	Construction of a ferry at Wellathota	2	1,000,000.00	GN Division is covered.
60	Gothatuwa	Cleaning the drains in the fields belonging to the Gothatuwa Farmers' Organization	3		
61	Gothatuwa	Applying an anicut to the geyser field	4		
62	Halpathota	Adjusting the automatic system that lowers the water level at the Halpath	21	2,000,000.00	40
63	Gothatuwa	Connecting the culvert at Dunwatte Junction to the Kuduperi Canal.	22	3,000,000.00	60
64	Gothatuwa	Raising the agricultural access road in Kotawila farm by two and a half fe	23	2,000,000.00	40
65	Gothatuwa	Renovation of Paratta Canal.	24	3,000,000.00	60
66	Gothatuwa	Connecting the Kiribathawila farm outlet to the main canal.	25	3,000,000.00	60
67	Gothatuwa	Renovation of the Kiribathawila Yaya Canal.	26	2,000,000.00	40
68	Gothatuwa	Renovation of the Heen Canal starting from Halpathota Junction.	27	3,000,000.00	60
69	Gothatuwa	Making an anicut to the paddy field towards Kiribathawila Yaya Dehihena	28	2,000,000.00	40
70	Halpathota Central	Repairing the Aridduva Canal up to the lotus ponds and from there to the lagoon	01		100
71	Halpathota Central	Repairs from Wangi Weir to Hansa Weir and from Hansa Weir to Halpathota Pumping Station	02		75

72	Halpathota Central	Repair of the old Dutch Canal up to the pumping station	03		80
73	Wawulagala	Widening of the culvert with handrails near the temple and removal of cylinders	1	5,000,000.00	30
74	Wawulagala	Widening of the water basin of the canal near the temple (development of the old canal from pillar 4 to the Wangi culvert is only 1km)	2	3,000,000.00	30
75	Wawulagala	Canal cutting on 15 acres	3	500,000.00	30
76	Wawulagala	Installing an anicut near the rock below Mr. Somanayake's field	4	2,000,000.00	30
77	Wawulagala	Cutting an outlet to drain the sewage from the houses in the green field (this proposal will not be necessary if Proposal 2 is implemented and the canal is developed)	5		30
78	Wawulagala	Cutting a two-foot canal from near the house of the farmer to the main canal (farmers join forces)	6	200,000.00	20
79	Keradewala	Preparation of the Ela Kandu Yaya agricultural access road.	1	2,000,000.00	25
80	Keradewala	Formalizing the canal at Wathurawaya	2	2,000,000.00	10
81	Keradewala	Reconstruction of the Nakatiyaya canal from Poddalagewatte to Peragahaliyadda up to the DC Tuna canal.	3	2,000,000.00	25
82	Keradewala	Construction of an agricultural access road with a culvert from near the Gal Ganga Bridge to the Galthotupala.	4	1,500,000.00	10
83	Keradewala	Cleaning the Diyakadiththa canal and widening one bank of the canal to make it an agricultural road.	5	5,000,000.00	15
84	Keradewala	Preparation of anicuts at the required locations in the canal.	6	800,000.00	10
85	Ginimellagaha West	Renovation of 1 km of Kudawe Canal (the southern boundary of this belongs to Rathgama).	34	8 00000	30
86	Ginimellagaha West	Renovation of 800 m of Katuwatta Canal	35	9 00000	28
87	Ginimellagaha West	Cleaning of 500 m of Kosgaha Waterway Yaya Pitavan Canal	36	4 00000	20
88	Madolduwa	Cleaning of the Diyakadiththa canal from the Majuwana main road to the DC3 canal and preparing one bank of the canal as an agricultural road using soil	1	2,000,000.00	15
89	Madolduwa	Cleaning of the canal from Gammaddeniya to DC3 Canal	2	1,200,000.00	4
90	Madolduwa	Cleaning of the Pitavan Canal from Muwaga Dam to the Stone Gully	3	1,500,000.00	10
91	Madolduwa	Resurfacing the remaining 200m of the Muwaga Dam agricultural road with concrete	4	500,000.00	5
92	Weveldaniya	Cleaning of the middle canal and cleaning of the outlet from the boundary stone of Mr. P.K.J. Gunawardena's field in Wandawa Yaya to Dombagaswella culvert - 700 m	14	500 000	30
93	Weveldaniya	Applying planks in areas where there are no anchor planks in Weweldeniya Yaya	15	300 000	30
94	Bataketiya	Installing the anicut boards for the anicut near Kadurugaswella in Mandav	1	1,000,000.00	35
95	Bataketiya	Turning the drains of Weweldeniya farm.	2	500,000.00	20

96	Bataketiya	There is a need for a side canal to the middle canal of Iddamalketiya.	3	1,000,000.00	7
97	Majuwana	Repair of Majuwana D7 Ela (Karavita Yaya) with the anicut	1	1,000,000.00	100
98	Majuwana	Construction of a canal from the Jatkada Dola to the bay near the Vela Bridge	2	2,000,000.00	100
99	Majuwana	Construction of a canal connected to the Karawita main road	3	1,000,000.00	100
100	LelKada	Repair of the Lelkada Yaya Pitavan Canal Alicut	1	100,000.00	500
101	LelKada	DC 3 Canal Repair	2	5,000,000.00	400
102	LelKada	Repair of the Bataduwa Canal	3	3,000,000.00	300
103	LelKada	Repair of the Udawa Kanda Canal	4	100,000.00	350
104	Ginimellagaha East	Renovation of the canal at Tuduwa	1	2,500,000.00	25
105	Ginimellagaha East	Canal renovation from the canal near Mrs. Tamara's house to the Wathurawa canal, 1 1/2km, repairing both banks and preparing the outlet	4	1,000,000.00	10
106	Ginimellagaha South	Repairing the blocked culvert in front of Mr. Ponnampereuma's house (Raban Garden) and digging the outlet 1 foot under and concreting it for a distance of 200 meters	2	1,000,000.00	25
107	Ginimellagaha South	Lowering of the culvert and canal on the Pakiharagoda Canal Road and concreting on both sides of the canal (distance about 1 km)	1	5,000,000.00	150
108	Dodangoda	Construction of an anvil with a liftable door to the Dodangoda farm near Mahawatta	11	1,500,000.00	200
109	Dodangoda	To construct an aqueduct to the old Bund Dam to divert water from the Ganga to the Yaya during the dry season and develop a 300m canal up to BR 09 sluice	12	5,000,000.00	600
110	Dodangoda	During floods, a canal will be cut at a suitable location to allow the water trapped between the old Bunt Dam and the BR 09 Dam to flow down to the river itself, rather than being released to the paddy fields.	13	5,000,000.00	700
111	Dodangoda	About 950m of the Puwakketiya Canal will be cut, cleaned and developed using backhoes.	10	1,000,000.00	200
112	Pituwalgoda	Renovation and desilting of the Horagoda Canal.	12	800,000.00	500
113	Thelikada	Development of the right bank of the Pinna Canal as an agricultural road and construction of tractor ramps at several locations and concreting of the canal road.	1	2,000,000.00	80
114	Thelikada	Starting from near Thelikada Sanasa and connecting the canal via Thiruwalawatte to the Horagoda Canal (concreting the canal)	2	800,000.00	80
115	Thelikada	Construction of an agricultural dam for the Barimulla farm from Pothuvilla to the temple dam	3	500,000.00	50
116	Thelikada	Cleaning from Pinna Yaya to Horagoda Canal	4	500,000.00	40
117	Thelikada Town	Repairing the doors at the Temple Dam Annex	3	1 000 000.00	40
118	Horagampita	Cutting and repairing the main canal of Dingawala Yaya - 300 meters	14	300,000.00	60

119	Horagampita	Preparing the pitavan in the Deepagoda paddy field	15	400,000.00	75
120	Horagampita	Applying a tractor-mounted sprinkler for the canal in Deepagoda paddy field (2 cylinders 8 feet long and 5 feet in diameter should be installed)	16	50,000.00	75
121	Horagampita Central	Construction of the outlet from Dehithagama Junction to Karada Dam	1	100,000.00	70
122	Horagampita Central	Applying a cylinder to the paddy field and cleaning the canal	2	150,000.00	65
123	Horagampita Central	Construction of agricultural dam from Karada Dam to Mahawela	3	2,000,000.00	70
124	Horagampita Central	Preparing the spillways of all the paddy fields in the district (applying tractor booms and cylinders to the necessary places)	4	2,000,000.00	80
125	Horagampita Central	Renovation of the city canal from the top		200,000.00	25
126	Walpita North	Construction of a canal of about 400m in the Masala Yaya			
127	Walpita North	Preparing an anvil for the remote farm		5,000,000.00	150
128	Walpita North	Construction of a canal and agricultural road in the middle of Mahadeniya Yaya		7,000,000.00	200
129	Walpita North	Construction of the Mahadeniya Yaya Pitavan Canal		5,000,000.00	100
130	Walpita North	Preparing the Galketi Lake outlet dam to allow water to drain		2,000,000.00	100
131	Walpita South	Development of the canal from the beginning of the paddy field near Gal Indurumulla to Kachjugasduwa Canal (1000 meters)	4	5,000,000.00	70
132	Walpita South	Development of the Pinnagasduwa Canal from near Mr. Mahinda Perera's paddy field using culverts at the required locations. (500 meters)	8	1,500,000.00	30
133	Walpita South	Development of the canal from the beginning of Beliattagoda in the upper Wela area to Kajjugasduwa Canal and the installation of an anvil near its Delgas edge.	10	1,200,000.00	150
134	Walpita South	Preparation of the quarry outlet and preparation of two tractor ramps	18	3,000,000.00	50
135	Balagoda	Cleaning of the Balagoda Free Canal by-pass	1	1,000,000.00	60
136	Balagoda	Cleaning the canal that flows from Magahena to Atta Kumburaya	2	1,000,000.00	75
137	Balagoda	Construction of a bridge from Massala Ferry to Balagoda Main Canal and cleaning of the canal	3	1,500,000.00	75
138	Balagoda	Creating an anvil at the top of the Ata Kumbura Canal and cutting a parallel outlet from the canal	4	1,000,000.00	40
139	Keembiela	Dandahena Canal Renovation up to 1 km	1	500,000.00	50
140	Keembiela	Preparation of agricultural road along DC 11 canal	2	1,000,000.00	20
141	Keembiela	Construction of Anicut 01 on Ginigeduwa Abhaya Gama Road on the DC 11 Canal and the construction of Anicut 01 on the same canal to the field of Mr. Ihala Piyasiri Nanayakkara.	3	700,000.00	20
142	Keembiela	Development of the agricultural dam at Tuduwana	4	600,000.00	15
143	Gonapura	Renovation work to clean the Maha Ela from Massala to Opatha	1	1,000,000.00	50
144	Gonapura	Re-cutting and reconstruction of the Geri-Atawila road	2	1,000,000.00	50

145	Gonapura	Cleaning and renovation of Kohilawila Canal (from Niddhasala to Maha Ela)	3	1,000,000.00	50
146	Gonapura	Cutting a new canal through the middle of Keemia's canal	4	2,000,000.00	20
147	Gonapura	Peragas Hattewe Canal Road Renovated with Culverts and Concrete	5	2,500,000.00	35
148	Gonapura	Construction of a small irrigation pumping station for the Polgasduwa area	6	10,000,000.00	50
149	Gonapura	Construction of a small anvil from the Freed Canal to the Idurupatwila farm	7	5,000,000.00	50
150	Andurathwila	Construction of an anvil adjacent to the Tuduwegeduwa road connected to the Batalahena Canal and construction of an associated spillway system.	3	2,000,000.00	50
151	Andurathwila	Construction of an anvil near the Polhena Dam connected to the Batalahena Canal and creation of an associated spillway system.	28	1,500,000.00	50
152	Andurathwila	Renovation of the paddy field and canal near Kosgahakanatta above Beaurice Kannangara Mawatha and creation of the associated Pitavan Canal system.	29	1,000,000.00	40
153	Andurathwila	Constructing a canal for the Wavulagala Deniya paddy field and constructing a connected drainage canal system.	30	500,000.00	40
154	Pahala Keembiya	Cleaning the main canal	1	500,000.00	80
155	Pahala Keembiya	Preparing all the outlets connected to the main line	2	700,000.00	80
156	Pahala Keembiya	Renovation of the outlet from Duwa to Ganegaduwa via Wala Kumbura	3	100,000.00	10
157	Pahala Keembiya	Dolagawa Garden Anvil Boarding	4	200,000.00	18
158	Pahala Keembiya	New construction of Ampitiyawatta Anvil	5	200,000.00	60
159	Kasideniya	Cleaning of the Dolagawa Watta Mutthettuwa outlet and installation of a culvert	22	500,000.00	15
160	Kasideniya	Cleaning the Thuduwegama Estate	19	300,000.00	15
161	Warakapitikanda	Preparation of the drainage system in the Kandahena paddy field (Drainage 2)	3	-	30
162	Warakapitikanda	Cleaning of the two drains from Udahamulla to Vavluduwa	5	-	30
163	Kohombanadeniya	Weliketihena Dadunahena	8	2,500,000.00	100
164	Kohombanadeniya	Kudawella Delgaha Estate	19	200,000.00	30
165	Ganegama South	Applying an anicut (ammuna) for Naimanavilayaya (near Ganegama pumping station)	1	3,000,000.00	75
166	Ganegama South	Canal reconstruction from Bategodawila to Rubber Market	2	1,000,000.00	50
167	Ganegama South	Reconstruction of the forest canal through Magurukada, Dolegoda Watta	3	1,000,000.00	30
168	Sandarawala	Reconstruction of the canal from Sandarawala to Suriyaduwa	13	1,000,000.00	100
169	Sandarawala	Cleaning the canal from Sandarawala to Matulkada culvert	14	1,000,000.00	50

170	Sandarawala	Cutting an outlet from near the Sirikumara Anicut to Polduwa Bay	15	1,000,000.00	100
171	Sandarawala	Cutting an outlet from Greenfield Dam to Molage culvert	17	1,000,000.00	50
172	Sandarawala	Cutting a drain at Polduwa through the Puhulduwa Canal	18	1,000,000.00	50
173	Sandarawala	Construction of a canal to Polduwa via Narangoda	19	1,500,000.00	100
